World Brotherhood

World Brotherhood, as sponsored by THE BRIDGE and all its subsidiary publications, does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind, but rather the conscious raising, through education and competent guidance, of the entire race—through the individual— to the highest standards of moral, ethical, economical and spiritual maturity.

THOMAS PRINTZ, Editor

The BRIDGE TO FREEDOM, a monthly magazine, Editor, Thomas Printz; Manager Zora S. Fellows; Asst. Manager Frank C. Pita. Rates per year $5.00 U. S. A. and Canada; elsewhere $6.00. Please make checks and Money Orders payable to The Bridge to Freedom, Inc. P. O. Box 777, St. James, L. I. New York, U. S. A. (a tax free, non-profit Corporation.)

YOUR ASSIGNMENT IS - GUARD YOUR OWN CHRIST FLAME

Letter to the Flame Class of November 18, 1961

Beloved of My Heart:

God love your tenacity of purpose which makes it possible for us to continue to hold open the Cosmic Grant of the Karmic Board, so that you can freely (in projected consciousness) day or night, visit the Ascended Master Focus of the Month.

Again, We are privileged to enter into the Presence of Lord Gautama, Lord of the World, and look upon the very beautiful Three-fold Flame brought to the Earth by Sanat Kumara Himself. This Flame has been guarded by Sanat Kumara and the other Kumaras for aeons of time, until the present Hierarch, Lord Gautama, prepared Himself and was accepted by the Karmic Board as the New Lord of the World.

I shall here ask you a very personal question: Are you as faithful, patient, constant and one-pointed to render this service to your own Holy Christ Flame? That is "your assignment" - and the expansion of your own Holy Christ Flame adds to the Light of the World.

By the expansion of your own Holy Christ Self, with the Gentlemen Sponsors from Shamballa assigned to you by Lord Gautama, you are guaranteeing to the Great White Brotherhood that all of Their energies so lovingly invested in you, are truly inbreathed, absorbed, expanded and projected for the blessing of all who use the Earth as a planetary

Home. It also prepares you, as the same exercise prepared Lord Gautama, for a greater Position in the Eternal Scheme of Cosmic Creation. Come, let us together visit Shamballa and place our sheaves upon the lap of Gautama and bless Him and Sanat Kumara for Their Service to this Earth. I shall await you there.

Love and blessings

MAHA CHOHAN

THANKSGIVING
by The Maha Chohan

The Feast of Thanksgiving is a Universal Cosmic Activity that takes place at inner levels and has been celebrated for aeons of time.

When America first acknowledged Thanksgiving, the early forefathers merely tuned in to this Cosmic Day. It is significant that the United States is the only Nation on the Earth today who celebrates this Holy Service when Life pours forth gratitude for all that is given.

With the Great Helios, I represent One of the Hierarchy Who is the recipient of the Gratitude from all life for Our Outpouring through Nature and the avenues that supply energy to the people of Earth. This has been My very great privilege for many centuries. At inner levels the Thanksgiving Ceremony is celebrated by every Angel, Master and Nature Spirit, for they know that the very breath in their nostrils has come to them through Grace, and passes through My Body.

Mankind's attention is more or less upon the satisfaction of the outer senses, but there will come a day when the people of Earth (as the early Pilgrims)

(continued on page 7)

B E L O V E D S H A M B A L L A
by The Maha Chohan

The magnificent activity which takes place at Shamballa each year, bears witness to the wisdom of the Cosmic Law in allowing Beloved Morya to part the veil and allow the students to participate in the activities that engage the energies of the Brotherhood.

Each year, as the twelve-month cycle draws to a close, Shamballa becomes Host to the life-streams dedicated to bringing remembrance to the outer consciousness of the Divine Plan and the way and means by which each individual unit may weave the energies of his own life into fulfilling that Plan.

The Great White Brotherhood, composed of the Ascended Beings Who have foresworn Nirvana to remain as the Guardians and Teachers of the race, have always looked forward to this yearly gathering when They brought in the harvest of their endeavors working through chelas in the world of form, but it was primarily a private and closed activity in which very seldom would any chela participate who had a less spiritual standing than an initiate, or an adept.

Now, thousands of unascended beings have woven for themselves a sufficient momentum of impersonal service, to give them passport into the Presence of the Lord of the World. Millions, while not able to pass through the flaming ring of spiritual force, which forms an actual periphery of the City proper, are enabled at least to stand around the central core of qualified God Energy and be bathed in the radiation which is emitted from the grateful, thankful

hearts of all who participate in these festivities. Praise and thanksgiving are the passport by which the soul is signalled out from among all the sons and daughters of men, and with a Guardian Angel is brought into the celestial radiance of Shamballa. The more gratitude and loving praise and thanksgiving that the consciousness can generate and sustain, the closer will the soul come to the central Temple, and the more often will it be allowed the privilege of standing in the blazing Presence of the Lord of the World; and the more individual progress will be the return current of energy for such service.

The magnetic pull at Shamballa draws the souls of all the race, as does the magnetic pull of energy of every Retreat when it is set into motion on the 15th of each month. If you go unconsciously, you do not receive the mental benefit that you can receive if you go consciously.

There is no desire to cause stress or strain in the feelings of the blessed students, but if they were to start on a journey on the earth-plane with as little preparation and as little thought of the goal toward which they were driving or walking, I am sure they would not get there! The tendency of the human is to rely always upon a greater intelligence to do the actual work, but the joy and mastery within life comes when YOU incorporate the energies of your own world, and you find energy and vibration obedient servants that respond to your every directed thought and conscious feeling.

The Great Flame blazing on the altar at Shamballa is actually the receptacle into which the qualified energies, offered in impersonal service to life, are poured. The service at Shamballa differs from that at the Rocky Mountain Retreat where the Brotherhood and the chelas will give a worded description of their endeavors, their successes and their failures; at Shamballa only energy is used to create this Mighty Flame, which is the harvest of the year, but the description of the way that energy was gathered, qualified and consecrated, has no part in this service.

It is a magnificent and beautiful experience to go to Shamballa. Ask your own outer consciousness that you remember the Glory of Shamballa and draw it into your feelings at this season.

* * * * * *

(from page 4)

will pour gratitude to Nature for an opulent harvest and the Gifts of the Holy Spirit manifest throughout the year.

The Holy Season, from Thanksgiving through New Years, is a Godsend to the Hierarchy that govern this Universe, for mankind's attention is the most valuable lever by which We can raise them again to Perfection. Through the course of the busy year, their attention is not easily gained even for a moment, but during the Christmas Season, the resentment and rebellion at Godly things, are held in abeyance, and through their receptivity We can more quickly permeate them with the true understanding of Life.

GREETINGS TO THE LORDS OF THE FLAME
BY SANAT KUMARA

I come at the invitation of My Children, the Three-fold Flames, that beat your hearts!

The Call from the Three-fold Flame may not be denied by either the Electronic Substance or the GODHEAD Itself, for it is Life calling unto Life, and when the Three-fold Flame speaks in the heart of man, or in the thunderous Voice of the Gods, all creation responds instantly! The lips of man may invite the Powers of the Godhead, but only when the Three-fold Flame speaks, is there response!

Today, your Three-fold Flame has drawn My Personal Presence. Today is a Cosmic Moment in the Western Hemisphere, for the Three-fold Flame takes possession of the Shining Isle (Long Island) and one of the three locations in the United States of America is established!

The Three-fold Flame is the cohesive Power of the Universe. Think how your body cells are held together by the minute particles of the Three-fold Flame!

When a Cosmic Flame, projected and established by Divine Beings, takes Its place in a locality, It becomes the Cohesive Power for the establishment of the Divine Plan for that locality or nation, and around that Three-fold Flame the Electronic Substance of the Universe is drawn to make a physical mould.

In former Golden Ages, the Priest or Priestess of the Flame, raising their left hand to be the receiver of the currents, and projecting their right hand forward, drew the Substance of the Three-fold Flame into the physical world and established It upon the Altar, where It remained for the blessings, balancing and awakening of the mass of the people. This service I have rendered for many centuries.

A number of you came from Venus with My Assembly and at the close of this embodiment, some of you will return there to establish Temples of Light and and Homes of Beauty.

Poseidonis has accompanied Me today and has asked Me to convey His Personal Greetings and the blessings of the Three-fold Flame upon you.

The gifts, power, and manifestations of the Sacred Fire are always at the command of the Three-fold Flame within your heart. Speak from within It! Command from within It! Expand from within It - and NO POWER IN THE UNIVERSE CAN BE DENIED YOU!

BELOVED LORD GAUTAMA
By The Maha Chohan

The beautiful picturizations of Lord Gautama as the Buddha (now Lord of the World) show Him with the Lotus which is open to full flower, and its love enfolds His body in its perfumed caress.

This Lotus represents the thousand God Qualities and Virtues which He drew forth from Life and which He chose to dedicate His personal Life to expanding. The Great Lord Gautama learned early that we find within Life that which we seek, and He loved Life enough to live selflessly through the centuries preceding His embodiment as the Mighty Prince of India.

Loving Life as deeply and selflessly and impersonally as He did, He pierced through into the glorious Virtues latent within Life, and each of these Virtues passed from His body to enrich the confused consciousnesses of the people, the animal and plant life of our System. So, too, may each student, and all sincere and earnest hearts expand their God-life for the greatest good of all.

The Cosmic Lotus begins to expand through the physical heart the instant the outer self desires the Presence of God. Whatever pressure of world experience turns the soul toward the God-self matters not, except insofar as it provides a marvelous opportunity for the Holy Christ Self to begin the development of the Cosmic Lotus through the human form. Once those fresh new shoots of development begin to unfold around the heart center of the lifestream, the Masters of Wisdom are privileged to give more than ordinary help.

The flowing stream of Life energy that sustains the body life does not have enough pressure within itself to do more than perform the activities connected with daily living, but when the Holy Christ Self sees the sincerity of the heart in the search for God, for Christ, for Truth - more Light begins to flow into the Chalice of the Heart where the quiescent God Virtues have lived sometimes for centuries without piercing through the human veil or becoming apparent to any but the Masters' Love.

When this God Light enters the Chalice of the Heart, it is a pressure which begins to press out of your own life, just as you press the juice from a fruit, the God Virtues, and these Virtues begin like the small yellow petals you have seen in the new sunflower and they become like a pointed arc at their exterior surface so that where they press through the lifestream they are just a tiny triangle that only the discerning and loving can see.

There is no recession once this has begun to take place, and since Lord Gautama gained His Ascension, His particular service to Life has been expanding the Lotus wherever the Holy Christ Self has given the Cosmic Fiat that such an unfoldment was about to take place. Therefore, all aspirants who are beginning to expand that thousand petal Flame are in the Garden of Lord Gautama's Love, and cultivating selfless desire to increase the Virtues by instilling in other lives, happiness, or peace or laughter, will find greater expansion of their God Flame.

THE ASCENDED MASTERS ANSWER 100 QUESTIONS

FOR THE SPIRITUAL EDIFICATION OF WORTHY CHELAS IN 1961

KUTHUMI
World Teacher

BELOVED VICTORY SPEAKS ON THE THREE TIMES THREE

"I AM" VICTORY, That Very Being Who on Tara's Hill (a Sacred Mount indeed) drew from the Beloved Saint Patrick all of His own full gathered momentum of Illumined FAITH in God, PERSISTENCE IN INVOKING God's Holy Will for the benighted children of God. AT LAST, after the extreme tests upon Lord Patrick's patience, I interceded with the Heavenly Father-Mother God, and received the dispensation of spiritual salvation for the people of Ireland, who were the re-embodied Spirits who once knew VICTORIOUS EXPRESSION when the Chohan of the First Ray--Beloved El Morya--guarded and guided Them from the Halls of Tara. I, like unto My Confreres, have given My Pledge to Lord and Lady Meru to answer some questions, particularly pertaining to the Power of the Three Times Three!

XLVII. WHAT IS THE POWER OF THE THREE TIMES THREE?

I shall first give you the simple explanation as related to your individual identity. You are well aware that within your physical body is the Immortal Victorious Three-fold Flame of God - Blue, Gold, and Pink, which is the Permanent Atom of personal individualization.

In the Electronic "I AM" Presence is a much greater Focus of this Triple Aspect of Deity.

In the White Fire Being, from Whence came your "I AM" Presence, is the primal Three-fold Flame which contains the entire Divine Blueprint of the individual lifestream.

XLVIII. WHY IS THE EXPRESSION "FULL POWER" OF THE THREE TIMES THREE USED?

Because it incorporates the balanced energies of the Three vehicles mentioned above, to express God-Perfection here on Earth, or in any sphere where assistance is required. The subjugation of the four lower vehicles allows the Three Divine Expressions full power to act. To the undeveloped man whose Three-fold Flame is latent, I would like to say that the Three-fold Flame in the Heart of the "I AM" Presence and the White Fire Being are constantly and consistently joining in the glorious creation of ever-expanding beauty in the Cosmos.

XLIX. WHAT DO THE COLORS OF THIS THREE-FOLD FLAME, BLUE, GOLD, AND PINK REPRESENT?

Blue is the God Power Almighty which enables the

individual to magnetize God's Life;

Gold is the wisdom to use that Life to promulgate good;

Pink is the Divine Love which qualifies the God Life intelligently into expression.

L. HOW CAN THE CHELA BETTER PREPARE HIMSELF SO THAT THIS NINE-FOLD ACTIVITY WILL EXPRESS THROUGH HIM IN PERFECT BALANCE?

To invoke the Regent, SANAT KUMARA, to assist him in expanding the Three-fold Flame within his heart. This opens the door to the inflow of Sanat Kumara's FEELING of the powerful, wise activity of pure Divine Love from the White Fire Being, the Individualized "I AM" Presence and the Three-fold Flame within the heart, which is the natural expression for every one of God's children! Few there are, here on Earth, who know of their own God potentialities!

LI. WHY DO YOU SUGGEST BELOVED SANAT KUMARA INSTEAD OF SOME OTHER DIVINE BEING?

Because Sanat Kumara Himself, together with the Other Kumaras, brought from Venus in a crucial time in Earth's history, the Cosmic Three-fold Flame which formed the cohesive Power of the Spirit of The Great White Brotherhood. During this month of November 1961, Sanat Kumara, together with the new Lord of the World--Beloved Lord Gautama--graciously receive into Their very Presence at Shamballa, all

who have contributed to the benefaction of the Earth and Her attendant evolutions. These two Divine Beings accelerate the Three-fold Flame within the heart of each visitant who at the close of this ceremony returns into the orbit of his own sphere of influence, IMBUED with Their feeling of the Three-fold Aspect of Divinity - Father, Son, and Holy Spirit. Everyone so privileged to participate in these ceremonies carries the responsibility and obligation to accept, sustain, and expand that feeling.

LII. WHAT IS THE RANK OF THE DIVINE BEINGS WHO REPRESENT THE NINE-FOLD ASPECT OF DEITY?

Crowns - Thrones and Principalities
Seraphim - Cherubim and Angels
Cosmic Beings - Ascended Masters and Holy Christ Selves

LIII. WHAT SERVICE CAN THEY RENDER TO US IN THIS NINE-FOLD ACTIVITY?

When the chela is cognizant of these Nine Groups of Perfected Beings, he can turn his attention to Them and become a Grail for the DESCENDING POWER of Their concentrated energies in whatsoever sphere Their benefaction is required.

LIV. THE PRESENT GENERATION IS BECOMING INCREASINGLY AWARE OF WHAT THEY CALL

"OUTER SPACE." IS THE PROJECTION OF MISSILES INTO OTHER ORBITS THE ANSWER TO WORLD PEACE?

DEFINITELY NOT!!! The dedicated men of science in this field of exploration have glimpsed the Glory of this Nine-fold Celestial Court but have INVERTED their activities for the most part. When science and religion are again correlated in service, each such an earnest one will cognize the proper perspective between mankind and the universe in which he abides. Drawing into the orbit of the Earth the Power, Wisdom, and Divine Love of the Crowns, Thrones, and Principalities; Seraphim, Cherubim and Angels; and Cosmic Beings, Ascended Masters and Holy Christ Selves by the awakened and alert chelas, will bring and sustain a LASTING World Peace. These Nine Groups of Divine Beings are constantly active in the universe, even as the Sun is constant in Its outpouring although the storm clouds often prevent mankind from receiving of It's beneficent rays. The Impersonal Radiation of these Divine Beings blesses the entire universe and ONE ALERT CHELA can channel that blessing to the entire Planet. "I AM" the Victorious Heartbeat ALIVE within you and YOU ARE SUCH AN ONE!

Beloved KRISHNA will discourse on
"In the Beginning was the Word"
in the December, 1961, BRIDGE.

WE DO REQUIRE AN ARMY OF LIGHT

by the Ascended Master Saint Germain

Beloved friends of old, friends of life and My friends forever! God bless you for your perception of Truth which has enabled you to step forth from the mass mind, fearless, dauntless and determined to weave out of the Primal Essence of your own life, the magnificent Robes of Freedom which you shall wear as representatives of Myself in the world of form; and which you shall, in kindness, place upon the shoulders of the men, women, and children of the race in the Golden Age which it is Our privilege, honor, and responsibility to bring forth in this physical appearance world.

Let Us counsel together as friends, as brothers and sisters interested in one great vision, in externalizing one design. Those who have looked into the future, those who have listened to the words of the Master, speak freely of the Golden Age <u>that is to come</u>! It is pleasing to the tongue, amusing to the mind, and it gives hope to distraught feelings, seeking always some measure of Peace in the sweet "by-and-by"! <u>WHEN</u> are you going to <u>begin</u> to <u>externalize this Golden Age</u>, which it is My responsibility as Chohan of the Seventh Ray to manifest upon this planet! Common sense will tell you, you must begin with the students, with the individuals, who have accepted even intellectually My Presence in

this Universe. It is to you few that I look for the inception of the Golden Age upon the Earth, in your personal lives, your home, sanctuary; and then you will become the magnet which will draw the masses, who will be more interested in the fruit and harvest of your endeavor than by the application by which you attained your victory.

I am asking you now to take an inventory of your own earnest and sincere world - to see what improvement, individually and collectively, you can make to prepare to externalize the Golden Age of absolute unconditional harmony, inexhaustible strength and energy, the youth of Sanat Kumara, the perfect health of the Master Jesus, the infinite supply which flows from your own God heart, and anything and everything which is an amplification of Perfection. You who are My friends, to you I give this assignment; to become now the establishment of the Golden Age of harmony, health, peace, beauty, and perfection through the orbits of your own individual worlds, your homes and cooperative groups. Every great thing had a small beginning!

I remember the vision which it was Mine to impart to a few strong men and women of a land where they might have Liberty to pursue and follow the dictates of their own hearts, and weave for themselves a new world which one day would be the heart of Freedom. A vision is a beautiful thing and when it is accompanied by the enthusiasm of application, it becomes

fact! A vision shared, even between friends, when both parties embody their energies and talents to manifesting it, brings blessings, not only to them but to all Life. But We Who have passed beyond the human veil and stand in the realms where it is so easy to see the Divine Design, are dependent upon incarnate lifestreams to grasp Our vision and through the acceptance in the mental body, to see the possibility of blessing the race through their own voluntary, self-conscious endeavor.

From this inner realm where We abide, We constantly direct the energy and light rays from Our hearts into sensitive consciousnesses, hoping that someone might grasp a portion of that vision - in dreams, revelations or contemplation according to the development of the individual self. These incarnate friends, become Ourselves in action, for that is the Cosmic Law. We can only do in the physical appearance world that which We can do through those of you who still are a part of the mental and feeling world and the physical substance of the sphere which We desire to bless. So My vision for Freedom and a permanent Golden Age of planetary proportions where all men and women are brothers and no such thing as disintegration, disease, or death are known, is dependent upon the receptivity of incarnate lifestreams.

In Europe after I had accepted My Ascension and the Divine Director Himself recommended that I take

that final step, it became My hourly occupation to look over incarnate lifestreams who had within them any desire to better the race or to do God's Will, no matter how orthodox their faith might be. These men and women of good faith and goodly living became the recipients of My Directed Ray which stirred within them sufficient enthusiasm to stand for the right to worship God as they chose, and were willing to leave home and family and security to travel across the sea to your beautiful shores.

Today, I am in exactly that same position. When I received the Crown at the hour of Coronation and saw the vision in its fullness for the first time, seeing the Earth as it will be in the Golden Age which must come, it was then again My obligation to look into the world of form and try to connect My energy with those lifestreams who could grasp, oh, just the smallest portion of that vision through whatever medium was afforded Me; a word of expression, of inspiration, a pressure of radiation to stimulate and sustain enthusiasm and interest in World Brotherhood, in Godly living. This I am endeavoring to do to those of you who have opened your mind to Me, and more important still, opened your hearts!

Blessed hearts, within your very physical form is the Presence of the Living and Mighty God! The Presence that enables you to say "I AM"! Let us return to that fundamental of contemplation within yourselves

that the Presence of the Living God within you must be loosed and given opportunity through the energies of your world to express and manifest perfection. It is not as important the creed or faith of a man as it is that through that creed or faith - whatever it may be - he contacts that Presence of God and becomes One with It, allowing It to surge forth into his world!

In Our realms of Ascended Beings Who have risen on the ladder of evolution in every creed, in every religion, many of the religions no longer being known on the Earth today, but those who achieved the Victory, made that contact with the Living, Breathing Ever-Presence, calling Its Mighty Power forth, refusing forever the acceptance of a power opposed to It, and in the invocation and radiation of That Presence, they became again the fullness of Incarnate Gods! That is what I ask - that you turn back to the God that beats your heart and let the roots of your attention go deep into that mighty Source and draw forth the healing currents required to restore your flesh; the substance you require to fill your world, the light you require to illumine your mind, the peace you require to establish and sustain harmony in you. When your roots are anchored deep within that Living Presence, no matter what the world of form might show, you shall not be moved!

Today, a permanent Era must come; it is cosmically ordained! A Golden Age is to be the permanent

state for Our Earth and all who are so honored as to remain upon it. Those who do not choose to accelerate the vibratory action of their energy shall find hospitality on another star, but the Planet and the few who are willing shall go forward to Freedom! In this, you can help Me if you will, through your own endeavor to connect with your God, to externalize His Perfection and to grasp as much of My vision as your mental body will allow you to accept.

When your inner bodies are refined and have that consciousness of "listening grace," then easily at times of crises, We can flash the Flame and easily, the brain consciousness absorbs and the physical body moves into action if necessary, and performs the service for Us. You are Our hands and you are Our feet; you are Our lips, through which We can speak! You are Our eyes, through which We bless. We have no other in this world of form! When your vehicles are unwieldy, when they are heavy, it is impossible for Us at a moment when a service can be rendered, to direct that beam through with sufficient intensity to reach your outer consciousness and your earnest hearts.

This is important - for in the days that are to come, WE DO REQUIRE AN ARMY OF LIGHT ALL OVER THIS EARTH - of individuals in a constant state of alertness; a constant state of grace, a constant state of harmony, balance, and poise, ready to move at an instant! Then if an activity is about to take place,

and We desire to direct a thousand light-rays simultaneously - A THOUSAND LEADERS WILL STAND, and a THOUSAND GROUPS WILL GO INTO ACTION and disaster will be averted. This is the training for the few, who walk under the Banner of Freedom in My Name!

* * * * *

Blessed and beloved hearts, do you realize that the purpose of religion upon this planet Earth is two-fold? Religion is designed to draw forth and lower the rate of those subtler vibrations from the Higher Realms which are so rapid that they would have no possibility of recording upon the consciousness of incarnate man. Its other purpose is to make of every man a full expression of the Deity, no matter whether the man worships that Deity under the name of Krishna, Christ or any other name. To bring the Divine Nature into the soul of man and to externalize it as the full Divine Pattern for the other members of the race to copy, is a great service to both God and man.

-Lord Divino-
